HAPPY
Mother's DAY

Mothers Day is a day to pay special tribute to Mother “An Apostle of God”. It’s a day to honour motherhood, maternal bonds and influence of mothers in society. It’s a day to show appreciation towards mother.

"Motherhood is the toughest job"

A job that is ever-changing and frequently exasperating. Moms don't get days off, nor do they receive handsome salaries or generous pensions. Instead, their rewards come in the form of satisfaction of seeing their children growing up to be happy, healthy adults.

Vardhman International Public School is observing Mothers Day on 12th May, 2023. The schedule is as follows:

Class - I Poem Recitation Activity

Children will prepare poem (in any language) from home and recite it in school.

Class - III Frame Making Competition

Children will make frame in School and paste photograph of their Mothers in that frame.

WORLD RED CROSS DAY

World Red Cross is a time to celebrate the spirit of humanitarianism and recognize the individuals who make a difference in their communities.

The Red Cross Society's mission is to inspire, encourage and initiate all times and all forms of humanitarian activities to generate a peaceful environment. Red Cross means: promoting humanitarian principles and values, disaster response, disaster preparedness, health, and care in the community.

We want to celebrate the people in our communities, "the person next door", who often are the first ones to step up and support those in need around them. They could be someone at work; a neighbourhood business-owner; a Red Cross community volunteer; someone at the gym, shop or market we go to; or someone living close by who has always been by our side. However they support us, they do it with love.

Vardhman International Public School is observing Red Cross Day on 12th May, 2023 to salute these helpers. The schedule is as follows:
